## CUPER

Cuper, located in the Media Center, offers an appetizing and eclectic menu with influences from all over the world. Cuper is a perfect location to discuss project collaborations, coffee, lunch, dinner, an after-work drink, or a catered event.

Portuguese restaurateur Jorge Neves, was exposed to food and wine preparation at age 10 when he began working on his grandfather's vineyard in Portugal.

Jorge has played a prominent role in the New York restaurant world for nearly two decades. A pioneer in West Soho, he opened PAO! in 1995, followed by Giorgione and Giorgione 508.

Cuper Cafe is open from 10am to 10pm daily.
